

PRODUCT OFFERING

APG - Automation Products Group – www.apgsensors.net

Ultrasonic Level, Digital Pressure Transmitters and Gauges

Delta Instrument – www.deltainstrument.com

Analyzers for Moisture and Dew point, Emission CEMS and Combustion Calorimeter

Elster Amco Water Metering – www.amcowater.com

PD, Turbine, and Magnetic Water Flow Meters and Electronics. Fuel and Oil PD Flow Meters

Fluidic Techniques – www.fluidictechniques.com

Low Loss Flow Tubes HHR, Venturi to 72 inch, Orifices, Meter Runs, Flow Nozzles Fluidic Techniques introduces the HHR FlowPak requiring no upstream pipe diameters.

UFM, Universal Flow Monitors – www.flowmeters.com

Flow Monitors and Switches for liquids and gases. Gas laminar flow meters, vortex water meters, PVC Vortex meters for corrosive chemicals for water treatment.

Yokogawa - Authorized Reseller – www.yokogawa.com/us/

Flow, Pressure, Temperature, PH & ORP, Controllers, Analyzers

Additional Vendors

ASI Sensors – PH, ORP, Ion Selective, Conductivity

www.mmicontrols.com

Dwyer – Low Pressure, Flow, Level, Temperature

www.dwyer-inst.com

Kessler Ellis (KEP) – Flow Totalizers

www.kep.com

Precision Digital – Digital Indicators and Displays

www.predig.com

PRelectronics – Signal Conditioning, IS Barriers, and Displays

www.prelectronics.com

RKI Instruments – EAGLE™ GasTech Gas Analyzer

www.rkiinstruments.com

Royce Technologies – Dissolved Oxygen, TSS, Sludge Level

www.roycetechnologies.com

Schubert & Salzer – Sliding Gate variable orifice control valve

www.schubertsalzerinc.com

Tretter Manufacturing (TMC) – Ram Drain and Sample Valves

www.tmcvalves.com

Transducer USA – Sonar oil/water level interface for tank farms
